Program Overview

Experience University Research High School (EUR HS) is an academic and culturally immersive program designed to help highly motivated students take advantage of a Top 10 university campus, building practical skills in a variety of subject areas and gaining invaluable experience as they prepare to apply to top undergraduate programs.

For the 2019 EUR HS program, UCI hosted a diverse group of students from the U.S., China, Japan, and Taiwan, July 14-27.

A man in a blue striped shirt is pointing at a computer monitor in a classroom setting. The background shows other students and computer equipment. The text 'Coursework' is overlaid on the image.

Coursework

授業内容

Core Classes (3 hours/day)

All EUR HS students took the following core classes to sharpen their oral and written communication skills in order to become successful university students.

Academic Presentation Skills – Students review academic vocabulary, learn note-taking strategies, prepare oral presentations, annotate university lectures, and lead discussion groups.

Research Methodology – Students learn how to write a university-level research paper adhering to APA format.

Electives (6-10 hours/week)

Intro to Environmental Analysis & Design

Students learn about climate change and public policy as they examine real-world case studies. *Pictured on the right, Juliana Zanotto, Ph.D. (top left) and John Whiteley, Ed.D. (top right) and EUR HS students.*

Intro to Designing & Integrating IoT Devices

Students use Raspberry Pi computers to learn to code with Python and program smart IoT devices.

Business Project Management

Students learn standard procedures as they work in groups to plan research and development projects.

Students in the Engineering elective.

Students preparing for a presentation in Business Project Management.

Students showing off new commodities they plan to market in Business Project Management

Research Methodology instructor, Linda Gruen, with a student.

Activities

授業外活動

Academic Activities

This year, EUR HS students attended a series of academic activities in addition to their classes, including: UCI Lab Tours, a UCI Admissions Presentation, Guest Speakers, and Academic Advising.

Pictured on the right, Melanie Oakes, Ph.D. explains how RNA is mapped at the UCI Genomics High-Throughput Facility.

Cindy Lin, Interim Director of University Programs, advises an EUR HS student.

Ben Dolan, Director of Design & Engineering Projects, leads a tour of UCI's RapidTech 3D printing lab.

Jeffery Hu, Associate Director of International Admissions, advises EUR HS students

Danielle Primavera, Director of Undergraduate Advising for Social Ecology, addresses EUR HS students.

Cultural Activities

This year, EUR HS students also attended many cultural activities on and off campus, including: Conversation Partner Meetings, Social Mixers, Local Attractions, and Cultural Classes.

Pictured on the right, EUR HS students at Universal Studios Hollywood.

Getting their "Kicks on Route 66" in Santa Monica.

EUR HS students enjoy a welcome BBQ.

EUR HS students goof around with group leader, Kanna Luong.

Going shopping with UCI students.

Accommodations

寮、UCIキャンパスについて

Mesa Court Towers

Located on the UCI campus and just two years old, the Mesa Court Towers provide clean, comfortable accommodations to EUR students.

A UCI Housing Advisor lived with students to provide 24/7 support. Students also had access to laundry facilities and a kitchenette.

Students dined in the Anteaters Cafeteria located in the Mesa Court Towers as well as in many of the 16 other dining locations on campus.

Dorm rooms are fully furnished and include bedding, towels, and Wi-Fi.

TESTIMONIALS

体験談

Maya Sakuma – Japan (pictured)

I would totally recommend this program to my classmates because not only the studying program was good, but also the people here are really nice and I was able to make connections with people from all over the world... It was really special to this program

Dante Arutyunyan – USA

Although the time here was short, I really did learn a lot more than I expected, which I'm very glad about.

Jiacheng Hu – China

Everyone [at UCI] gave me opportunity and they gave me a chance to be here and actually see what's going to college and I like it a lot. This is a program I definitely recommend for sure.

Thank you!
